

EcoPlanter Pots

Innovative Products, Resourceful Solutions

Superior Performance from Eco-Blend 

It's Smartware because:

- Looks like imported terra cotta
- Unbreakable
- Weather resistant
- Lightweight
- Eco-blend recycled materials
- Solid thick wall construction
- Scratch Resistant
- Rolled edge
- No clay drawbacks
- Can be dropped or mishandled
- Withstands freezing, thawing & heating
- 1/3 the weight of clay pots
- Reduces landfills
- Insulates plant roots better than clay
- Solid color throughout
- Plants cascade without damage
